Taking Root

By Cheryl Bullock, Executive Director

Hello! Can you believe we are about to enter into the holiday season? The staff and I have been busy the last few months with services and making decisions on the new building. Our projected move in date is February 1st.

The brick campaign will go through the end of December. Bricks will be in the healing garden surrounding a beautiful statue donated by Marion and Angela Goff. These will help with funding the garden and a reminder to children they are supported by the community. If you are interested in purchasing a brick, please visit

www.bricksrus.com/donorsite/cacpc.

Room Sponsorships are still available! These will help equip our new building with furniture and supplies. We have sold 18 rooms in just the last few weeks! If you sponsor a room, you will have your name/business on a plaque, along with the time frame of sponsorship outside the door. This is a wonderful way to help Parker County children everyday by funding a comfortable and safe area to receive services.

All rooms have a 5-year sponsorship with the opportunity to fund the room again in 2025. The remaining rooms are two observation rooms (\$2,000 each), four CAC staff offices (\$1200 each), and one Care Closet (\$800).

The building is progressing!

With the holidays approaching and many of our families need help with toys and clothing items. If you or your organization would like to help, please contact me or Lauren Authier at 682-615-1992.

I would like to thank all of you again for your continued support with our mission to "End Child Abuse by Giving Parker County Children a Voice."

Donations Needed

- Gift cards (\$10-\$25)
- Bottled water
- Basic school supplies

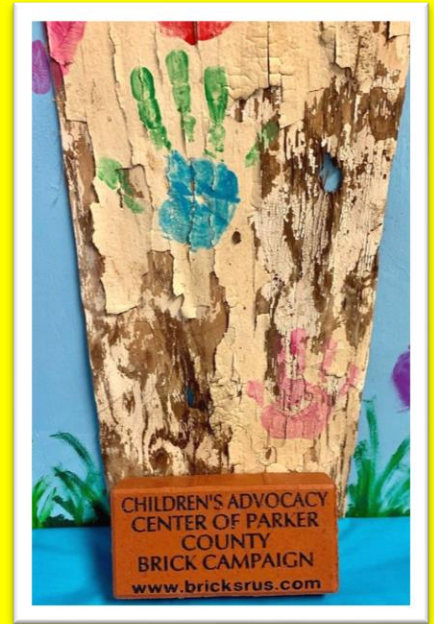

Thank you to the Hudson Oaks PD for donating stuffed animals for our children.

Pave the Way

Help the children of Parker County by purchasing a personalized brick for the CAC healing garden. Each brick that is purchased will help pave a pathway in the healing garden of the new building. The bricks can be etched with anything from a memory of a loved one to encouraging words.

Bricks are \$150 for a 4X4 or \$250 for an 8X8.

FIVE BODY SAFETY RULES

Every kid should know

BY AGE **5**

brought to you by:  THE MAMA BEAR EFFECT

I am the boss of my body. I have the right to say no if I don't like how my body is being treated. I don't have to hug, kiss, or be touched if I don't want to.

Private parts are covered by a bathing suit and are kept out of view. We don't look, touch, or play games with private parts.

No one should be asking me to keep a secret - especially if it makes me sad or scared.

To use the correct words for private parts. They're not funny or weird - everyone has them!

I know five people I can talk to if I ever feel sad, scared, or nervous about anything - especially body safety. If someone breaks the rules I need to tell someone who can help me. Even if I was too scared to tell at first - it's never too late, and I won't be in trouble.
