Totally Tubular 80's Party

In October Oakline Floors hosted a Totally Tubular 80's Party with proceeds benefitting the Children's Advocacy Center. This event was one of a kind held at a breathtaking venue. Sammy Kline and Cassie Smith went above and beyond to make this event fun, memorable, and outstanding!

The 80's were brought to life with the attendance of Bob Ross, Run DMC, and Miami Vice.

Bakers Ribs donated the food and knocked it out of the park with their mouthwatering BBQ!

The CAC has been through a lot in the last few months. Lauren Authier wanted to extend a thank you to everyone that has shown her and Mike support through everything that has happened. The help, prayers, and support has not gone unnoticed.

"I would like to thank everyone who has extended their support to our family during this unimaginable time in our lives. Your thoughtfulness has been the reason we have been able to find joy in the little things. Again, we are so humbled by the love that we have been shown and cannot thank everyone enough!" – Lauren Authier

While Mike having cancer has not been our only tragedy, we also faced the loss of Cheryl Bullock's mother, Patsy Davis. Again our community jumped into action and showed amazing love and support to Cheryl and our center. We received a shocking amount of donations in honor of Patsy. It just goes to show the impact Patsy had on her community and the love our community shows for Cheryl.

Cheryl has not let what has happened slow her down and jumped back in to work making a difference in the lives of our children. The staff of the CAC got to witness first hand what this center and the work Cheryl does means to her.

Cheryl also wanted to extend a thank you to everyone that reached out.

"I would like to take a second to extend my gratitude to each and every person that has reached out to myself and my family. We were so blessed to have a mother like Patsy to raise us, love us, and shape us. It was wonderful to see the impact she had on everyone. So again thank you all for everything." – Cheryl Bullock

The CAC has been shaken these last couple of months but we have ended up coming out stronger in the end. The bond between our staff is unmatched and continues to be built stronger each and every day. Thank you to everyone who has had a hand in making this CAC what it has become today in its short life.

Bakers Ribs

There are not enough good things to be said about Bakers Ribs. We are so blessed with the partnership that has been built with them and the support they show us. DeeAnna and Brian Krier have gone out of their way to raise awareness and help us to fight against child abuse!

Christmas

Christmas is right around the corner! Things will look a little different for us this year. While we usually host a very large party and supply families with food and gifts we will have to make some adjustments due to COVID. This year we will be hosting a drive-thru Christmas. This event is for our clients only due to limitations. However, if you would like to donate we need gift cards to 5 Below, Claires, Ulta and Game Stop.

Bachelor & Bachelorette

The CAC was partnered with Bakers Ribs for this years Parker County Today's Bachelor and Bachelorette. Thank you to C.J. Minor and Taylor Dickinson for being our Bachelor and Bachelorette. We were honored to come in second place. Thank you C.J. and Taylor for all of the hard work and dedication you put in to raising awareness about child abuse and our center.
