"Giving Parker County Children a Voice!"

Thank You for Your Support

Sugar Rush Event

This years Sugar Rush Event is presented to you by First Bank Texas.

Follow the steps of a child as they take their journey to healing. From your first steps in the door, you will stand where children have stood on their scariest day possible. You will see the smiling faces of our loving staff as they lead you to the lobby and through the halls of the CAC. You will hear services offered by our Family Advocate, see the Forensic Interview rooms, experience all our Counseling Department has to offer and hear the behind the scenes of Case Coordination and Staffing.

When you have finished your journey, you can enjoy hors d'oeuvres and drinks while listening to a band and participating in a raffle.

Give a child the gift of a Golden Ticket and a chance at the rest of their lives by sponsoring or attending this years Willy Wonka themed Sugar Rush event. Sponsorship opportunities are still available and individual tickets are \$50.

When the CAC opened in May of 2018 it was a major goal of ours to have a satellite location in Springtown. With Parker County being so large it is often difficult for some families to travel to Weatherford weekly for their counseling. While we were able to offer gas cards, that was not always a solution for some families.

In April of 2021 we finally made one of our goals a reality! We officially opened a Springtown location on the square! We were able to partner with Freedom House and Grace House on the location to make it affordable to all agencies.

Freedom House sees clients on Monday and Tuesday while the CAC sees clients on Wednesday and Thursday. Grace House has taken Fridays. We opened Springtown with a full client schedule and stay fully booked both days.

As a community resource we are always looking for ways to better serve our community and clients. After a family experiences a life altering event, our goal is to make the rest of the process as easy and flawless as possible. Thanks to the support of our donors, we have been able to take the necessary steps to make our goals a reality.
